17 This matter presently is set for a status conference or change of plea on May 18, 2006.
18 The parties are discussing potential alternative resolutions to a plea and, in order to make
19 informed decisions as to the outcome of this case, continue to review discovery in aid of these
20 discussions.

21 It is therefore STIPULATED and AGREED that the status conference presently
22 scheduled for May 18, 2006 be continued to May 31, 2006. It is appropriate to continue
23 excluding time under the Speedy Trial Act because of the need for continuing investigation of the
24 case and defense preparation, because defense counsel will be out of town from May 25, 2006
25 through May 29, 2006, because government counsel will be in trial beginning May 22, 2006, and
26 because failure to grant the continuance would deny the defendant effective preparation of her

1 defense and continuity of counsel. 18 U.S.C. § 3161(h)(8)(A) and (B)(iv).
